

## **NIAID Rocky Mountain Laboratories, MT**

Rocky Mountain Laboratories is hosting its second annual Earth Day Poster Contest. Please join in by encouraging children, who are relatives of an employee or contractor, to participate this year by following the guidelines listed below:

1. Parents/Grandparents/Guardians will supply their children with an 8.5 x 11 sheet only of paper- preferably made of 30% recycled content.
2. Parents will provide all art materials (crayons, markers, etc.) for their children to decorate the poster. Note: 3-dimensional posters will not be accepted.
3. Parents may submit one poster per child.
4. Original posters will not be returned. Electronic submissions are recommended in order to retain original artwork.
5. Submit the poster to Kristine Schmitt ([kschmitt@niaid.nih.gov](mailto:kschmitt@niaid.nih.gov)) by April 21, 2017.

Posters will be judged on the following areas:

- A connection to the theme: How will you go green?
- Creativity, and
- Age categories:
  - 4 and under
  - 5-7
  - 8-10
  - 11-13
  - 14-18

Posters will be displayed and winners announced at Take Your Child to Work Day on April 28, 2017!
